COURTESY TRANSLATION

Paris, the

In the context of the CCRA, this certificate is recognized at level EAL2 increased by FLR.3.

This certificate is issued in accordance with Decree 2002-535 dated April 18, 2002 as modified relative to the evaluation and certification of the security offered by information technology products and systems.

Secrétariat général de la défense et de la sécurité nationale, Agence nationale de la sécurité des systèmes d'information
51, boulevard de La Tour-Maubourg, 75700 PARIS 07 SP

The product subject to this certification has been evaluated by THALES/CNES, located in France, by applying the *Common Methodology for Information Technology Security Evaluation*, version CC:2022, révision 1, according to the Common Criteria, version CC:2022, révision 1.

This certificate applies only to this specific product version in its evaluated configuration. It cannot be separated from its full certification report. The evaluation was carried out in accordance with the provisions of the SOG-IS, the CCRA and the French system. The evaluation facility's findings, formulated in the evaluation technical report, are consistent with the provided evidence.

This certificate does not in itself constitute a recommendation of the product by the Agence nationale de la sécurité des systèmes d'information and does not guarantee that the certified product is completely free of exploitable vulnerabilities.
